

The Tri-City Dog Park Society

Become a member!

The Tri-City Dog Park Society was established to promote and maintain dog parks in the greater Tri-Cities area. A dog park is a designated recreational area where owners can let their dogs exercise off-leash. In addition to being a lot of fun, dog parks help dogs become better citizens, create social hubs in the community, and promote responsible pet ownership. The temporary dogpark at Badger Mountain Park will soon be permanent. It's been named "Paws-abilities Place, in memory of Audrey Lee Ulrich." Our mission is to increase the number of off-leash parks in the Tri-City area. We are currently looking for energetic members to help with our mission. See www.tricitydogparks.org for more info.
